DEPARTMENT OF THE INTERIOR,  
UNITED STATES INDIAN SERVICE,

Absentee Shawnee Agency,

Shawnee, Okla., Dec. 6, 1904.

The Honorable:

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:-

I have the honor to refer to your letter "Accounts", dated October 8, 1904, calling for a census for the year ending June 30, 1904, and to enclose herewith the census for the Mexican Kickapoo, and Absentee Shawnee tribe of Indians for this year. As to the census for the Citizen Pottawatomie of this Agency, I beg to state that they are scattered over almost every state in the Union, and that it is impossible to take a correct census without some provision for funds to cover travelling expenses in connection with the same. I began the census of the Citizen Pottawatomie tribe soon after the receipt of your first instructions regarding the same, with the intention of securing a census of the non-residents by mail. I find this plan very slow and unsatisfactory and have been unable to complete the census as yet.

Very respectfully,

*Frank A. Chalkley*  
Supt. & Spl. Disb. Agent.

FAT-MI.

DEPARTMENT OF THE INTERIOR,  
UNITED STATES INDIAN SERVICE,

U. S. Indian Agency,  
Shawnee, Okla., Oct. 12, 1905.

The Honorable:

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your letter "Accounts", dated September 16, 1905, and in partial compliance therewith, to transmit herewith the census for the Absentee Shawnee tribe of Indians of this Agency.

With reference to the census for the Mexican, Kickapoo and Citizen Pottawatomie Indians of this Agency, I would state that a considerable number of the former are in Mexico, and that the Citizen Pottawatomies are scattered in almost every state in the Union, and as there are no funds provided to cover the necessary expense in making a census, it is absolutely impossible to get a census of these two tribes.

Very respectfully,

Incl.  
T.-I.

DEPARTMENT OF THE INTERIOR,  
UNITED STATES INDIAN SERVICE,

U. S. Indian Agency,  
Shawnee, Okla.,  
September 29, 1906.

The Honorable

The Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I have the honor to refer to your letter "Accounts" dated September 17, 1906, calling for my census of June 30, 1906. There is enclosed herewith the census for the Absentee Shawnee Tribe of Indians and, as to the census for the Citizen Pottawatomie and Mexican Kickapoo Tribes of Indians of this Agency, I have to state that the Citizen Pottawatomie Indians are scattered over almost every State of the United States and it is impossible for me to take a census of this Tribe. It is similarly impossible for me to take a census of the Mexican Kickapoo Tribe of Indians since the majority of them now reside in Mexico where they have been for the past two years.

Very respectfully,

*Frank A. Thacker*  
Supt. & Spl. Disbg. Agent,

JRS.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

Census of Indians.

Shawnee Indian School,

Shawnee, Oklahoma, December 11, 1915.

The Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I am transmitting herewith the Annual Roll of the Absentee Shawnees and Mexican Kickapoos of this Agency.

The Absentee Shawnee Census is as complete as it can be made considering the fact that there has been no Census Roll rendered since the year 1906.

The Census Roll of the Mexican Kickapoo Indians is incomplete for the reason that we have no previous records from which to work, and the data gathered of these Indians is original, for the most part, and for the further reason that there are two separate groups of these Indians residing in the Republic of Mexico. Of these Indians a supplementary Roll has been made, as far as we can make it with the data we have in the office, and the names of these Indians, as far as we know them, in the Republic of Mexico.

During this year it is intended that we will try to secure more complete data for use in rendering the Census at the end of the present fiscal year.

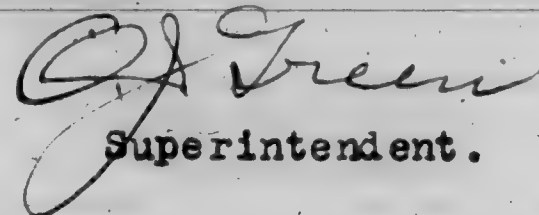

The Census Roll of the Citizen Potawatomi Indians is being prepared, but as stated heretofore in our correspondence with the Office, these Indians are so scattered, -all over the United States, it is very difficult to make a complete Census of them, at

See this letter.

the same time, we have been trying to secure enough data to make a more complete Census at the end of the present fiscal year. As before stated, we can not find any complete Census of these Indians in the files of this office, and the Office advised us that they have no copy of a previous record to go by.

The Citizen Band of Pottawatomie Indians will hold a Council here for the purpose of electing a Business Committee December 20th, 1915, and at that time we can secure, it is believed, reasonably good data for our work on the Census of these particular Indians, by having every family register. As soon as a Census is made up of this Band of Indians the same will be forwarded to the Office promptly.

Very respectfully,

  
Superintendent.

Sir:

Referring to the census of Indians under the jurisdiction of this Agency; I have the honor to advise that we have been endeavoring to secure the names of all Indians belonging to this Agency, separated in three tribes, viz: Citizen Pottawatomie, Mexican Kickapoos and Absentee Shawnees. We are delinquent, however, the census of Indians under this Agency has never been kept up, as it appears from the records since the year, 1906, and that was only of the Absentee Shawnees, which the Office sent to this office in its letter of August 2, 1915, and which appears to be the last census taken of any of the tribes of Indian under this Agency.

For this reason, it has been very difficult to secure a complete census of these Indians. However, the census of the Absentee Shawnees, is nearly completed, and its comparatively accurate, and those of the Mexican Kickapoos residing in Oklahoma, have been prepared. Therefore the census of these two tribes will go forward to the Office within the next ten days.

Nov 26, 1915  
126,590

The census of the Absentee Shawnees will be comparatively complete, while we will be unable to complete the Mexican Kickapoo census as nearly as we would like to. There are two groups of the Mexican Kickapoos in the Republic of Mexico; there being about 20 in number at Sonora, Mexico, while there are about 85 or 90 at Muzquiz, State of Coahuila, Mexico. These, we will not be able to give the census of.

There being no record of the census on file in this office of the Citizen Band of Pottawatomie Indians, we find that it will take more time to secure the names of several of these Indians, and perhaps some of them we will never be able to reach. These Indians will hold a general council for the purpose of electing a business committee, and at that time, we expect to secure definite information about some of the families. In this connection, we encounter some difficulty in determining whether certain Indians applying to be placed on the Citizen Pottawatomie census and other rolls, are entitled to such, until we have some kind of committee to pass on their ancestry.

The General Council above referred to will be held on December 20, 1915.

Our slow progress has been due to the work having been necessarily original, as there are no previous census of

Indians of more recent date than the one of the Shawnees in the year 1906, which the office sent to this office upon my request. The Citizen Pottawatomies are more scattered than any other tribe under this Agency. A number of them reside in Kansas, some in California, Ohio, Arkansas, South and North Carolina, Louisiana, Michigan, and some of them in the Navy Service, in fact they are in every part of the Country. It would be voluminous task to endeavor to secure a complete census of these Indians, unless all of the time during, say for six solid months is devoted to it by one man having some knowledge of taking census. For this reason the census of the Pottawatomies will be very incomplete. However we shall endeavor, during the coming year, to improve upon and make the necessary addition whenever we find a family that has been left off, which will likely be the case.

Very respectfully,

(Signed) C. J. Green  
Superintendent.

The Commissioner of Indian Affairs,

Sir:

This is to refer to Office card of Nov. 24, regarding its letter of October 26, 1915, with above reference, concerning the annual census of Indians under the jurisdiction of this Agency.

In this connection, I respectfully refer to my letter of November 22 on the subject referred to. I will state further that the census of the Mexican Kickapoos and the Absentee Shawnees will go forward to the Office within a few days. But that the census of the Citizen Band of Pottawatomie Indians will not be completed for some time, they are so scattered, and the whereabouts of three or four hundred not known, makes it a tedious job in assembling them into a census roll, however, such census we are able to secure soon will go forward to the Office, and during the remaining year efforts will be made to make the census more complete to be rendered June 30, 1916.

Very respectfully,

*Estad*

Statistical Section  
Annual Report, 1915.

August 20, 1915.

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Transmitted herewith is Statistical section of  
my Annual Report for the year 1915, which covers three  
Reservations and tribes under this Agency: viz: Mexican  
Kickapoos, Absentee Shawnees, and Citizen Pottawatomies.

The narrative report statement will follow  
within the next few days.

Owing to the meager data available to work  
upon and no census of the Indians not having been taken  
for several years previous to this one, our force of  
employees being greatly reduced during the time we were  
busy on these reports, and my absence for the past three  
weeks in visiting the Mexican Kickapoos in Mexico, at  
Douglas, Arizona, Eagle Pass, Texas, and a few days so-  
journ in San Francisco enroute, we have not been able to  
complete these reports until now.

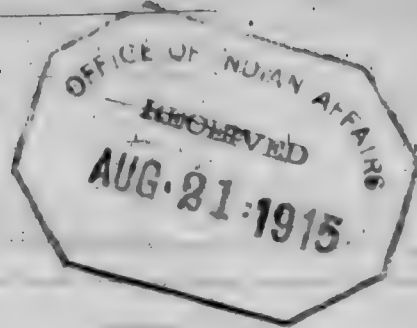

Very respectfully,

Delinquent Annual  
Reports.

Shawnee Indian School,

Shawnee, Oklahoma, August 17, 1915.

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Referring to Office circular letter dated August 13, 1915, relating to the Statistical Section of the Annual Report from this Agency, it is with regret that we have to advise that we are still delinquent in the compilation of the data required in this Report, however, we have been handicapped on account of sickness of some of the employees most dependent upon for this information, and others have been away on account of sickness and death in their families, while still others are on their summer vacation, which fact reduced our force to a very few employees to handle this work.

The Agency Farmers, in their respective districts, assisted by one Field Matron, have been working on this continually, but they have large districts to cover, and one of these Agency Farmers has been in the hospital during all of this time, and while he is on duty at the present time, he is unable to do strenuous work, however, he is doing all that he is able to do. The Field Matron also became ill, and it was necessary that she should relinquish this work, and she is not yet sufficiently strong to return to her duties.

A further reason for our delinquency in this matter is the class of information desired on the Population Section of these statistics is very difficult to secure, as no Census of the Indians has been taken for some years, at this Agency, the only information along this line being obtained from the Census which the Office sent to us recently, concerning the Shawnees, taken in 1906. It will thus be seen that proper record is not available in this office covering such information as we need to incorporate in our Annual Report, which makes it difficult, it being necessary to secure all the information required at first-hand.

Owing to the Annual Census of the Kickapoo and Pottawatomies, as well as the Shawnees, not having been taken for a number of years, the work of rendering such a Census, covering the Indians under this jurisdiction, has been very tedious, for the reason that the Pottawatomie Indians are scattered all over the United States, and some in foreign countries, and no information can be secured relative to the absent ones, or their families. A portion of the Mexican Kickapoo Indians, under this jurisdiction, are living at this time in Old Mexico.

From this the Office may note the difficult situation which confronts us in securing the information required readily. The information required in the Statistical Section of the Annual Report, and that of the Census of Indians under this jurisdiction will not be complete, however, we are endeavoring to get the same as near complete as possible, under the circumstances.

The Narrative Section of the Annual Report is being prepared by

Superintendent Green while away, and will be forwarded to the Office as soon as completed.

It is now believed that we will be able to forward the Statistical Section of the Annual Report to the Office by the twenty-fifth of this month, -sooner if possible.

Very respectfully,

*John Jones*  
Clerk in Charge.

The Commissioner of Indian Affairs,

Sir:

I have at hand Office notice dated July 29th, calling attention to the fact that our Annual Report, due at the Office June 15th, is now sometime delinquent.

I regret this situation very much. We have been doing our best to push things along here in the office, but a number of reasons have entered into this delay. Some of the employees most depended upon for this information have been sick in the hospital, and others have been away on account of sickness in their families, and it has practically been impossible to complete this report, however, we are doing our best at the present time, and expect to have the report in the Indian Office by August 15th, or earlier, if possible.

Very respectfully,
